11	It was a nice location with great views and the grounds (pool) looked like fun. I did use the gym. It was nice. Hotel restaurant was expensive but tasty. Because of the weather, I wasn't able to do the fun things that the hotel had to offer.	3/1/2023 12:36 PM

#	RESPONSES	DATE
1	Airport is to small and availability to rent a car was a big challenge.	3/10/2023 11:33 AM
2	The location was fairly remote, expensive to get anywhere in town. The Mall across the street seemed to be the only place to go that didn't cost 30 bucks in an uber.	3/10/2023 11:09 AM
3	The Omni is a nice venue, although the rooms a starting to have the distinct worn appearance. Odd carpet and mix-matched furniture in the room. The conference rooms are clean and bright. Those work well.	3/10/2023 10:52 AM
4	The venue was beautiful and rooms were a great size. If there's a way to schedule/ensure that there are enough rooms- that would be wonderful. Also, gender inclusive restrooms would ensure fuller inclusion/participation in the ACCCA conference	3/6/2023 12:56 PM
5	I would like to see industry experts talk about current legislation changes or how to tackle such changes. Currently, Chancellors Office, Campus Climate Reform.	3/6/2023 9:54 AM
6	ALWAYS bacon and protein at breakfast please!	3/6/2023 9:40 AM
7	First reception food was better than second reception food. Second breakfast was better than	3/1/2023 2:03 PM

2023 CONFERENCE EVALUATION

first breakfast. Both lunches were outstanding! Appreciated having coffee/water available throughout the day.

8	Please offer hot breakfast each day (not continental)	3/1/2023 12:36 PM
9	The full meals were first rate. The hotel was nice and close to shops and restaurants, but far from airports other than Palm Springs, which is not easy to fly into.	3/1/2023 11:27 AM
10	The hotel was lovely but quite spread out. It made moving from hotel room to conference a little challenging for some.	2/28/2023 9:16 PM
11	Loved the location!	2/28/2023 6:50 PM
12	It's a ways to walk....I would use my car to get closer to the conference site.	2/28/2023 3:16 PM
13	I had to stay at a neighboring hotel as the block of rooms had all been sold. I learned at the conference there were cancellations and I might have been able to switch. Some coordination of these efforts would be nice. The walk to the other hotel was only a quarter mile so not tragic but the amenities were drastically different.	2/28/2023 12:22 PM
14	The building I stayed in did not have an public elevator so had to carry everything up the stairs.	2/28/2023 10:51 AM
15	They ran out of room and so did the nearby hotels. I had to stay 15 minutes away. Maybe a location that is more central and has an airport	2/28/2023 10:31 AM
16	I appreciated the ability to call for a ride from my room to the event. All resort personnel and ACCCA were very pleasant, helpful, and professional.	2/28/2023 10:03 AM
17	Very nice presentations and server staff was attentive	2/28/2023 9:52 AM
18	I would prefer a Southern California location along the coast that would be accessible via the train. More substantial breakfast and snacks during breaks would have been nice.	2/28/2023 9:47 AM
19	Hotel room was pretty far from the conference rooms and I had a sore ankle. Wished I had taken advantage of the shuttle carts	2/28/2023 9:26 AM
20	Everything was wonderful, except for the weather towards the end of the week. But, that is out of our hands.	2/28/2023 8:52 AM
21	It will be nice if the conference is at an actual hotel.	2/28/2023 8:45 AM
22	The dishware was dirty at a number of meals, with lipstick stains and other concerning issues.	2/28/2023 8:39 AM
23	It seemed like significantly less food then previous conferences. We have grown accustomed to prepared breakfasts, and snacks between sessions, it is a long day without food, and there wasn't a lot of access to getting our own food as breaks were short, maybe more clearly advertising food expectations, so we can bring stuff with us.	2/28/2023 8:26 AM
24	I'm not overly fond of Palm Springs/Rancho Mirage. Other than that, I do not have any real complaints or issues with the location. I like there is the little shopping mall across the street so there are a few options for food and something to do within walking distance.	2/28/2023 8:10 AM
25	Possibly considering a larger venue, I was not able to book a room at the Omni so having to drive in daily was a bit unpleasant especially with the weather, although I was not that far.	2/28/2023 8:10 AM
26	Getting into and out of a small community like Palm Springs for those not driving was significantly challenging	2/28/2023 7:40 AM
27	Disappointed to have to stay at a different hotel due to availability of rooms.	2/27/2023 8:58 PM
28	Cookies or popcorn during the mid afternoon break please	2/27/2023 8:53 PM
29	Hotel room needed remodeling	2/27/2023 8:04 PM
30	We absolutely need a bigger conference block with more room availability	2/27/2023 8:02 PM
31	N/A	2/27/2023 7:43 PM
32	I liked that the resort was in walking distance of other restaurants.	2/27/2023 7:36 PM
33	More available rooms at the conference venue in the future. Also, a hot breakfast for all days	2/27/2023 6:51 PM

2023 CONFERENCE EVALUATION

would be appreciated for future conferences.

34	The rooms were fully booked, and I had to stay at a different hotel, which was inconvenient.	2/27/2023 5:55 PM
35	No issues	2/27/2023 5:44 PM
36	The speakers were great for the large group sessions. Also, thank you so much for the planning that went into the food selection! It made it possible for those of us with food allergies to attend and not worry if we'd find enough to eat. On top of that, it was healthy and delicious.	2/27/2023 5:37 PM
37	Other than the continental breakfast on Thursday, all of the meals were exceptional!	2/27/2023 5:25 PM
38	Thank you so much for planning such superb conference! I particularly enjoyed attending the pre-conference and an added benefit was that I identified colleagues with whom I wanted to network during the rest of the conference. Thanks for all the overall fine planning.	2/27/2023 5:18 PM
39	Can the Wi-Fi be checked? With 400 educational administrators constantly logging in, it was difficult to get a consistent signal throughout the venue. We missed the afternoon cookies! HA!	2/27/2023 5:14 PM

2	This is hard question. If I wasn't that impressed with the presentation, then it was the right length. But there are others that could have gone longer	2/28/2023 9:37 AM

I think that he could have still advocated for Trans and Queer Advocacy without ostracizing this group, which is ironic being that he spoke to the hurtful things that he experienced as a result of LGBTQIA+ folks being ostracized and excluded.	2/28/2023 8:23 AM
17	I was called into a meeting and am very sad I missed it as I heard nothing but rave reviews from all of my peers! I am hoping we had it recorded so I can engage with the message!	2/28/2023 8:14 AM
18	Really enjoyed Dr. Moon-Johnson's energy and message. He made me laugh, cry, and contemplate! Very inspiring. Also, I appreciated including another aspect of DEIAA in addition to race/ethnicity.	2/27/2023 9:12 PM
19	Wonderful presentation and reminder that sometimes we miss the mark on inclusivity.	2/27/2023 9:03 PM
20	I always enjoy JMJs sessions.	2/27/2023 9:00 PM
21	So important to have LGBTQIA+ representation	2/27/2023 8:06 PM
22	As mentioned above, I would like to have attended a follow up session on how he helps his college with his expertise.	2/27/2023 6:00 PM

2	1. We cannot "one size fits all" everyone any more. It's not possible and creates inequity between programs. 2. The Arts and how they support every single ounce of work the state is trying to do, but ignoring us in the conversation. 3. Bring back true management training along with discussions about DEI, etc. None of us have ever been trained to do our jobs and we seem to talk an awful lot without doing much.	3/10/2023 11:14 AM

13	Possibly. Not sure yet.	3/2/2023 9:55 AM
14	It would be easy to track the sessions...it's easy to tell the challenges campuses are facing since without consultation there was commonality amongst several breakouts. That's not a bad thing, but putting together tracks might focus folks' attention.	3/1/2023 5:51 PM
15	Maybe specific tracks for different types of administrators (new administrators vs seasoned, classified administrators vs academic, etc.)	3/1/2023 2:08 PM

17	Budgeting, braided funding	3/1/2023 12:40 PM
18	Absolutely considering. This would be my third time.	3/1/2023 11:31 AM
19	Please, please, please consider queer and disabled folx in your location and schedule. I had to walk 15 minutes each direction to use the restroom in my hotel room, since there was no gender neutral or single stalls. I live with disabilities that affect my restroom needs, and it is imperative that I have access to nearby and safe restrooms. I was late to nearly every session just meeting my restroom needs, and that bummed me out because everything y'all do is amazing and I hate to miss a thing.	3/1/2023 10:12 AM
20	Hope to join! I'm a convert.	2/28/2023 6:54 PM
21	If one of the session can cover the pros & cons about Classified employees serving as faculty members and the blended rates!! I know is a touchy situation and most districts does not allow classified folks to teach. I would like the new incumbers to learn about this topic.	2/28/2023 3:29 PM

27	When considering the topics most relevant to the CCC's and ACCCA, consider offering some sessions more than once during the conference, especially sessions related to legal/liability/HR issues, employee wellness, campus/safety best practices, developing employees and enhancing performance outcomes.	2/28/2023 10:20 AM
28	Hearing from Chancellors, Presidents, VP's about leading challenges and tools to gain and prepare for upper level leadership. The role of the cc board of trustees and do they know?	2/28/2023 10:16 AM

33	Yes. It would be great to see some sessions focusing on dean roles.	2/28/2023 9:09 AM
34	I'd like to see more sessions dedicated to how things were explicitly implemented, challenges faced, outcomes, and any changes from those outcomes. There were some workshops that showed changes or great things done, but not HOW. I love getting the ideas, but want to know the steps needed.	2/28/2023 8:41 AM

37	Yes!	2/28/2023 8:20 AM
38	It would be great to have some less formal networking/discussion sessions -- perhaps in the main ballroom during the concurrent sessions for various levels of leaders and/or leaders from various units. Perhaps a few tables set up with a discussion leader who can have some guiding questions. I see a huge benefit in getting people to connect with others who are at the same point in their career and/or who have similar roles in their institutions.	2/28/2023 8:01 AM

45	Managing multi-modalities for students and employees, supporting team when many feel burnout, and navigating campus politics.	2/27/2023 7:01 PM
46	Basic Needs campus initiatives Guided Pathways initiatives	2/27/2023 6:46 PM
47	How do we adapt bond spending and staffing to the new normal of 50% online? When will we address the outdatedness of the 50% law?	2/27/2023 6:28 PM
48	Yes! So, unfortunately I had to leave the conference early due to the weather on the Grapevine. I was so bummed!!! What a great conference this was:)	2/27/2023 6:03 PM
49	I couldn't put my finger on it at the time, but when I got home it hit me that there wasn't a lot of ACCCA in the conference. There used to be many more sessions on professionalism in administration, interviewing and knowing when it's time to move on or move up, dealing with issues at a college (how to navigate district politics and either save your job, save your reputation, or save your sanity until you can find a new job). I'd like to hear how negotiation teams work, what it's like to be on an ACCJC accreditation team, how the League comes up with additions to the suggested BPs & APs, the most common Title 5 sections a dean or VP of instruction or student services should know, how your district does (fill in the blank) really well (e.g., such as strategic planning, getting a diverse Board of Trustees, Unit Planning, Program Review, Curriculum Review, enrollment management, student recruitment & retention, district marketing, budget and financial processes, IT support and cybersecurity measures; fundraising, working with faculty, staff & other groups' unions, performance evaluations, how to	2/27/2023 6:00 PM

48	Great professional development and advocacy	2/27/2023 6:53 PM

50	I love ACCCA, have loved Admin 101 and Great Deans, and everything it provides for its members.	2/27/2023 6:36 PM
51	I have a love-hate relationship with the ACCCA Conference. It's hard to really get to know people. It comes off as a big popularity group meeting where it's who you know in order to really network.	2/27/2023 6:33 PM
52	An outstanding organization	2/27/2023 6:03 PM
53	A great conference experience where there was true collaboration and networking.	2/27/2023 5:59 PM

9	More DEI! I'd like to hear more about how I, as an administrator, can continue to influence DEI efforts positively. Sometimes it feels as if admin are not "in the trenches" of the DEI work because we often don't work directly with students and don't create curriculum. I want ideas on how to do more.	3/1/2023 3:02 PM

16	Can't think of any at the top of my mind, but definitely find more Asian American Pacific Islander speakers. CCC leaders and the world tend to forget about this marginalized group and there are many many excellent AAPI educators/professionals that should be included in ACCCA. Just because AAPI professionals do not make a ruckus, does not mean that they should be silence, are okay with it, or are passed up.	2/28/2023 9:19 AM
