*A special message from your ACCCA Board Member, Lonita Cordova*

---

## WHAT'S NEW THIS WEEK

---

### **STEP UP TO THE ACCCA BOARD!** *Nomination Deadline Extended*

ACCCA needs leaders like you to help shape the future of the organization and contribute your unique insights into development of the programs, services and benefits that members enjoy.

If you are seeking an opportunity for professional connection and growth, and want to engage in issues at the state level, we invite you to *submit your candidacy today!* Nominations will be accepted through **Wednesday, May 6<sup>th</sup>** and members will have until May 22<sup>nd</sup> to cast their votes. Newly elected board members will take their seat at the opening of the virtual planning meeting of the 2020-21 Board on June 24<sup>th</sup>.

## SUBMIT YOUR BOARD NOMINATION

### WEBINARS FOR CCC ADMINISTRATORS AND MANAGERS

Thanks to a working collaboration between ACCCA and the Foundation for Community Colleges, a bi-weekly webinar series has been established to serve district management teams. Content will be focused on the innovations and best practices for the operation of the institution, and is driven by those who are doing the work to transition colleges from a pre to a post-Covid 19 operation.

Panelists and presenters are selected for their expertise on selected topics suggested by members, and they are bringing their resources to the table. The next webinar is scheduled for **Thursday, May 14 at 2 p.m.** and is focused on how administrators are adapting their operations in new ways to serve students. *Registration information will be provided in a separate communication.*

You can actively participate via a live Q/A, and afterward you'll have access to an expanding [Library of Resources](#) to reference helpful documents and links provided by our panelists.

*Please continue to send us your ideas for future webinars by filling out our [short survey](#).*

### ACCCA'S SUMMER PROFESSIONAL DEVELOPMENT ANNOUNCEMENT

We are so excited to be able to bring our summer professional development programs to you in a creative way! The temporary change in format will allow ACCCA to bring you the content that you need, RIGHT NOW, in a remote setting.

We've expanded capacity because we are not limited to a facility, and the virtual aspect of the programs has the advantage of not requiring you to be away for an extended time to attend a training! For more information, click the buttons below.

GREAT  
DEANS
