

Project Management for Administrators: PM in your Pocket!

Friday, November 16, 2018

San Diego Mesa College

9:30 a.m. until 2 p.m.

(Optional round table discussion from 2-3 p.m.)

- 9:00 a.m. Registration/Check In**
- 9:30 a.m. Gather, Opening Remarks, Introductions**
- 10:00 a.m. Chapter 1—Project Management Concepts and Terminology**
- The opening session of the workshop will be an examination of the universal terms used in project and change management, and how they apply to the California community college today. **Your learning objective in this session:** *To be well versed in the most commonly used concepts and to bridge the relationship between stakeholders.*
- 10:30 a.m. Chapter 2—Project Management Tools and How to Leverage Them**
- From understanding terms and concepts we will explore specific planning templates and tools you can use to keep the momentum going in your project, and the best reporting templates to ensure support and buy-in from your team and those you report to. **Your learning objective in this session:** *Through your participation in an experiential activity, you will build a collection of applicable tools and gain experience in creating preliminary plans.*
- 12:00 Noon Break--Networking Luncheon/ACCCA Presentation**
- 12:30 Chapter 2 Continued...**
- 1:15 p.m. Chapter 3—Essential Questions**
- In the final segment of the workshop, we will explore some of the key questions you must ask your stakeholders, and yourself before beginning a project. **Your learning objective in this session:** *Learn to foresee and plan for possible risks and roadblocks that may arise in the execution of your project.*
- 2:00 p.m. Adjournment.**
- Participants are invited to stay for a round table discussion [optional] to address specific issues with their ongoing projects.
