## POLL #1

# HOW TO SUCCESSFULLY INCORPORATE TECHNOLOGY

Consider online services program planning the same as any program planning activity

Develop a long term plan for quick transition to Online Instruction and Student Services

Accept that providing online/ remote services is an equity issue. Incorporate all services not just a select few

# BUILDING VIRTUAL DEPARTMENTS

## POLL #2

# HOW TO SUCCESSFULLY INCORPORATE TECHNOLOGY

Select platforms designed to support the tasks at hand

Maximize the use of the technology platform to its fullest. Take inventory, fill gaps with CCC system platforms

Use data to select technology platforms: based on ease of use, equity, functionality, delivery of service **NOT** personal preference

Incorporate structured ongoing professional development for remote faculty and staff

# PROFESSIONAL DEVELOPMENT

Include structured professional development opportunities for remote workers in program planning (Local level, CVC-OEI, other)

- a. How to use the technology
- b. Embedding equity in online support services
- c. How to implement the technology on a day to day basis
- d. Training on Canvas

# CONSIDER END USERS & THEIR TECH NEEDS

Identify the end users and their technology needs
