Volunteer Shout Out!

- ***Kudos to the planning teams for Admin 101 and the Great Deans Program!***
Both programs successfully launched virtual editions last week, with weekly classes for four weeks. Admin 101 team leaders **Russi Egan** (Lake Tahoe CCD) and **Stacey Shears** (Peralta CCD), along with the Great Deans team, **Jennifer Zellet** (Modesto Jr. College); **Amy Grant** (El Camino CCD) and **Carla Tweed** (Yuba CCD), worked closely with ACCCA's Manager of Meetings, Events and External Relations, **Courtney Clark**, and they did an outstanding job under challenging circumstances to create new content on current issues and recruit some of the best thought leaders in the system as presenters and trainers for both cohorts. *Thank you for your leadership!*
