

ACCCA YOUR ESSENTIAL CAREER PARTNER

MONDAY MOTIVATION

A message from your ACCCA Board President, Bonnie Ann Dowd

WHAT'S NEW THIS WEEK

Two Key ACCCA Committees Meet this Week

The **Commission for Finance, Legislation and Advocacy (CFLA)** will meet on Tuesday to take up several issues, chief among these will be a discussion of the Chancellor's System Budget and Legislative Request as well as finalization of ACCCA's Legislative Platform for 2020-21. The CFLA is a 16-member representative commission led by Chair Willy Duncan and Vice Chair, Omid Pourzanjani. The Commission is advised by consultants from School Services of California, Inc. The commission is tasked with monitoring legislation and policies related to community college operations and administrative rights and meets monthly to advise the Board.

The **Regional Member Council (RMC)** will meet on Friday for the first of 6 scheduled meetings this year to discuss how best to support members in this unprecedented time of pressure and adapting. The Council will review direct feedback from members about their needs and work to prioritize the work necessary to address those needs. Co-chairs Lonita Cordova (Merced CCD) and Eric Ramones (West Valley Mission CCD) will lead the 10 regional members of the Council in a review of the board's Strategic Plan and discuss implementation of the key actions that will be needed this year.

Agendas and meeting records for these groups can be found on the ACCCA website or obtained by contacting ACCCA directly.

That's it for now, have a great Monday and a productive week!
