## MONDAY MOTIVATION

### We need Your Monday Motivational Videos!

Experts have said that one of the best things we can do during this challenging time is to stay in touch with one another, and a weekly shout out to colleagues is a GREAT way to do that!

We hope you will allow ACCCA to help get your message out there as well! These brief videos can be as simple as telling someone to hang in there, recommending a good book or webinar, or describing a best practice that's working for you at the moment. Just a minute to two minutes max, these videos can come from your phone or desktop and don't need to be high production value documentaries.
