Re: Request for Signature on AB 1667 (Cooper)

Dear Governor Newsom:

On behalf of the Association of California Community College Administrators (ACCCA), I am writing to respectfully request your signature on Assembly Bill (AB) 1667.

AB 1667 alters the manner in which the California State Teachers' Retirement System (CalSTRS) can audit public school employers, employees, and retirees related to the reporting of creditable service and compensation and limit CalSTRS' ability to collect pension overpayments arising from errors in reporting disallowed compensation.

This bill will create a more transparent and accountable system to ensure school and community college districts receive timely and accurate information from CalSTRS, reducing the likelihood of reporting mistakes in the future.

For these reasons, we strongly support AB 1667 and ask for your signature on this important measure.

Sincerely,

A handwritten signature in black ink, appearing to read 'Susan Bray', is written over a white background.
