

ACCCA Legal & Identity Theft Services

ACCCA has partnered with **CLC Incorporated** to provide legal services to all members. Members have unlimited free telephone legal consultation for a wide range of legal matters, including any work-related and employer-employee issues.

The service also covers civil, consumer, family, real estate, landlord/tenant, motor vehicle, criminal, immigration and estate planning issues through:

- **Unlimited free phone consultation**
- **A free one-hour, in-person legal consultation with an attorney matched to you**
- **Will preparation assistance**
- **Discounted document preparation**
- **An optional National Identity Theft Prevention and Response Program**
- **25% discount on billable hours**
- **Access to legal forms and a legal library**

CLC Incorporated is the leading service provider of legal and identity theft solutions for employee assistance programs (EAP), membership associations and insurance companies. For over 35 years, CLC has partnered with professionals across the United States who have experience in nearly every type of law and identity theft case. All are prepared to provide top legal counsel for ACCCA members and their families.
